Zone 4 Workshop Held In McKinney

By MRS. J. OLLIE SMITH
Society Editor

Zone 4 of the Texas Garden Clubs, Inc., met Tuesday at the First Methodist Church in McKinney for an all day workshop. Mrs. Carl Cox, director of Zone 4, presided at the meeting. Guests registered from five counties, which include Collin, Grayson, Fannin, Rockwall and Hunt.

Mrs. Cox, in a charming manner, welcomed the visiting club members and introduced Mrs. John Coffee, of Dallas, who brought a message on "Club Federation" McKinney has two active garden clubs, the McKinney Garden Club and the Willa Largent Garden Club.

• • •

Purpose Explained.

Mrs. Coffee explained that the purpose of the garden club is not only the beautification of homes and their surroundings, but also the study of wild flowers, their preservation; soil conservation and the latest program "The Litterbug Campagn" by which our local streets and public highways can be kept clean. Mrs. Coffee is council coordinator of Zone 8, Dallas, which has a membership of 150 clubs.

Mrs. Robert Dooley of Dallas, who is district governor of District 2, brought a most informative discussion on flower shows. She prefaced her remarks that "the main purpose in life should be to be happy and derive enjoyment in your chosen hobby, or profession. Working with and arranging of flowers can bring this achievement."

Mrs. Charles Finnegan, of Dallas, and Mrs. J. Ollie Smith, of McKinney, spoke briefly on the publicity of garden club work through the press, or other mediums. Mrs. Finnegan is chairman of ...rvation of natural resour-

On... ...standing projects of the ...n Clubs, Inc., is "The L... ...paign" Mrs. Sy Gostin ... ... gave an amusing, as w... ...formative discussion on ... ...ject. "It is appalling to thin... ... the money spent by the taxpayer of cities and the states, in removing the litter from our highways and streets. 35 million cans, cartons, paper and containers are disbursed to the public each year. These articles must be disposed of. It appears that a great percent of them land on our highways." Mrs. Gostin stated that the habit of keeping our streets and highways clean is being taught in the schools by various methods. "Literbug" posters and stickers are being used to bring this project before the children as well as adults.

Award Chairman Speaks.

Mrs. Fred R. Cotten, of Weatherford is award chairman for District 2, of which Zone 4 is a part. She explained the judging of flowers in the shows which are held two each year by the various clubs. The purpose of the awards is friendly competition among the members as well as the achievement of decorative arrangements.

Mrs. F. G. Scott, of Denton, spoke on "Junior Gardening". The children are becoming interested in the workings of garden clubs. They have organized a number of clubs over the state. The study and beauties of nature can make a decided mark in the nature of a child.

• • •

Club Projects.

Mrs. J. E. Weaver, of Dallas, explained in detail the club projects for the year, several of which have been mentioned above.

Mrs. W. M. Benton Jr., registrar, had places marked for fifthy for luncheon, which was served at tables, formed in an open square. An rrangement of fruits, vegetables and bronze chrysanthemums, in a wicker basket, centered the speaker's table. This arrangement was judged and given a mark of 90. The other tables were artistically decorated in bronze chrysanthemums in wicker containers.

A delightful two course luncheon was served by the ladies of the church, with pastel pottery appointments. Door prizes were given by holders of lucky numbers and were gifts from Coffman's Florist; Crump's Gardens and Hedgcoxe Florists.

• • •

Out-of-Town Guests.

Out-of-town guests were: Mrs. George W. Jones, Mrs. W. G. Carlisle, Mrs. L. A. Huguley, Mrs. John Meaders, Mrs. R. Allen Duncan and Mrs. James W. Hays, all of Plano.

Mrs. Fred R. Cotten of Weatherford; Mrs. Robert H. Dooley, Mrs. Charles J. Finnegan, Mrs. John C. Coffee and Mrs. Walter Hartley, all of Dallas.

Sen. Jimmy Phillips To Address Veterans' Day Crowd Here Friday

Thirty-six units have designated their intention of appearing in the second annual Veterans' Day Parade which will lead off the day's observance in McKinney this year. Sponsored by the American Legion, Veterans of Foreign Wars, and Disabled American Veterans, the occasion will be celebrated Friday, November 11 at the American Legion Home.

• • •

Most Stores Remain Open.

All business firms will be open during the day with the exception of the two banks—Collin County National and Central National—the McKinney Post Office, the Texas Power & Light Company, and the offices in the Court House.

The Rotary, Lions and Kiwanis Clubs, and the Junior Chamber of Commerce, will meet jointly Friday for this program and luncheon, instead of holding their regularly scheduled meetings this week.

• • •

Patriotic Program.

Senator Ray Roberts and his program committee have secured Jimmy Phillips, of Angleton, Texas, as the speaker for the day. The theme for this year's observance will be "Peace With Honor" in which all leading Texas veterans' organizations will jointly celebrate. The program will begin at 11 o'clock.

George McCoy, band director of McKinney High School, is chairman of the parade and announces that all participating units will meet on the McKinney Market Square at 9 a.m. and begin to line up for the parade, which will begin promptly at 10 a.m.

• • •

Parade Route.

The parade route, announced by Mr. McCoy, will proceed from Louisiana and Chestnut street, West to Kentucky street, turning North to Virginia street, and then turning West again to Church Street. From that point the parade will march North to Erwin street, at the North Baptist Church where it will be dismissed. Buses will pimk up the units here and transport them to the Legion Home, on North Church Stree, beyond Highway 24, where the patriotic program will be given followed by a free barbecue lunch. All units in the parade, and persons attending the program are invited to attend the luncheon. It is free to the general public.

United Fund Workers Asked To Make Reports

Paul Hardin, treasurer of the Greater McKinney United Fund and co-chairman with Frank W. Smith in the drive, now underway, states that as of Tuesday, $17,475 has been subscribed, or paid. This is some $6,000 short of the proposed budget of $23,840. There are eight days left in the general drive and the chairmen urge all workers in the various divisions to make their reports as soon as possible, to ring the figures up to date.

• • •

Tuesday's Report.

The amounts received by chairmen in each division, thus far, follows:

Advance drive—Bill Finney and Alfred Scott, co-chairmen—$11,000.

General business drive—Raul Saba and J. W. Thompson, co-chairmen—$2,300.

Commercial employes — Mrs. Charlie Angel, chairman—$1,600.

Colored residents— John W. Fenet, chairman—$75.

Industrial Plants—A. H. Witherspoon, chairman—$2,500.

• • •

Eight Days To Go.

Within the next week the goal of $23,840 should be reached, and all who have not already been contacted, are asked to send in their donations to some of the above chairman, or to the treasurer.

The ten agencies participating in the United Fund are: Boy Scots, Camp Fire Girls, Gonzales Warm Springs Foundation, Heart Fund, Cancer Fund, McKinney Boys' Athletic Association, Allied Youth, Texas United Defense Fund, (USO), Salvation Army and American Red Cross.

• • •

Subscribe Pay Next Year.

Employes in local business houses, are being asked to give a day's pay, if possible. The money may be subscribed now and paid next year, to suit the donor, Mr. Hardin stated in making his report this week.

Band Students Sell Candy For Trip To Austin

By GERTRUDE PHILLIPS
McKinney High School Journalism Student.

Boyd High band students will be in Austin, November 12, to participate in the Texas University Band Day program, according to George McCoy, school band director.

The Greyhound Company is making overnight reservations for the band students after their arrival in two chartered buses. Returning from Austin, they will stop at the Long Horn Caverns.

To finance this trip the band is selling "World's Finest Chocolates" in an annual candy drive now underway. "You can buy one-quarter of a pound of chocolate candy with almonds, for only 50c cents" Mr. McCoy added.

Mrs. Jeff Bradley, Mrs. J. J. Komisarz and children, Mr. and Mrs. Jimmie Anderson, were in Whitewright Saturday evening visiting their parents, John Anderson and Mr. and Mrs. D. H. Thrasher.

Christmas Dolls Are Being Made By Jaycettes

The Jaycettes, Mrs. George Webb, president, are making Christmas dolls which will go to underprivileged little girls in or near McKinney, this Christmastide. This is a part of the toy round up sponsored each year by the Jaycees in distributing toys to underprivileged children in McKinney and vicinity.

• • •

Assist In Toy Round-Up.

The Jaycettes, is assisting with the round up program, urge everyone to donate old toys which may be rapaired and reconditioned. They are also asking for scraps of materials to be used in dressing the dolls.

This is a small contribution to ask for but will mean a great deal to the children receiving the toys, who might otherwise be missed by Old Santa this Christmas.

Church Women Observe World Community Day

The McKinney Council of Church Women met at the First Presbyterian Church, Friday, at 10 a.m., to observe World Community Day. Mrs. Claude Rayburn, Third Vice-President of the Council, was in charge of the very inspirational and informative program. Mrs. Paul Wilson, organist, set the atmosphere of the service presenting for the prelude "We Gather Together to Ask the Lord's Blessing" and offering for the call to worship "Come Ye Thankful People Come". The worship service consisted of a litany of thanksgiving for all of the blessings of our daily lives that people take for granted, and concluding with a prayer of contrition and repentance, followed by a solo, Briggs' "Hold Thou My Hand, Dear Lord" very beautifully and effectively rendered by Mrs. John Jeanes, accompanied at the organ by Mrs. Wilson.

• • •

Rev. Stribling Speaks.

The leader introduced Rev. Baldwin Stribling as the speaker for the day, who talked on the subject "U. S. Refugee Relief Program". Mr. Stribling has been appointed by Governor Shivers as the Director of the Refugee Program for this district, and he very ably presented his subject in an informative and challenging manner.

• • •

Five Churches In Council.

Five member churches of the McKinney Council of Church Women were represented at the meeting. Miss Geneva Talbot, President of the organization announced that the Annual Meeting of the Council will convene on January 12, 1956, at which time the election of officers for the new year and the installation service will be the emphasis. The nominating committee will make its report and then nominations from the floor will be called for. The time and place of the meeting will be announced.

All women of the city are invited to be a part of this united effort of the McKinney Council of Church Women to make the World Christian Community more real in our own town.

Sheriff Reports Activities For Last Week-End

Sheriff Floyd Williams reports the following activities for the Sheriff's Department over the week-end:

Dairy Heard Sire Analysis . . . New Service For Dairymen.

One of the toughest yet most important decisions the dairyman has to make comes when he selects a heard sire. Upon his decision rests the future of his breeding program and there just isn't a foolproof method for doing the job. Heard sire analysis is a new idea which we believe will take a lot of guess work out of the election job. There are two forms for on the prospective heard sire and the other to be used by the person making the analysis. The final analysis is based on pedigree merit and this includes complete type and production information on the sire and dam of the prospective heard sire and his paternal and maternal grandsires and granddams.

If too much of the needed information cannot be obtained from the breeder or breed registry organization, it might be wise to pass up the bill under consideration.

The complete background information form will be used by the extension dairymen in completing the heard selection score card which will give both type and production indexes. These indexes indicate the probable breeding worth of the young bill.

Since the dam contributes approximately one-half of each h[illegible] inheritance and the opportunity the heifer has for maximum production is determined by the heard owner, no claim or inference is made that a bull will sire daughters which will equal or better his indexes.

The specialists do not say the score card can be of help in analyzing pedigree information and predicting the probable breeding worth of young bulls. The County Extension Service can supply information on the new program and the needed forms.

Management Hints Given On Grazing Winter Pastures.

The amount of winter grazing you get from small grains and annual clover depends in a large measure upon the management practices used.

Give the young plants time to develop a hardy root system before turning in the livestock. The plants should be at least six inches tall before they are grazed. Their root system will be developed to the point that grazing livestock will not materially reduce the stand by pulling up the plants. Grazing the young plans too early can result in depleted stands and a corresponding loss in production.

Rotation grazing gives the most efficient use of the forage produced by fast growing small grains and legumes. Portable fencing is recomended for cutting the pasture into small plots because it is easy to move and inexpensive.

If weather conditions continue favorable and the grazing gets ahead of the livestock, mow the excess to prevent early booting. Too, if allowed to make too much growth, small grains are more suseeptible to winter killing.

Winter grazing usually is very succulent and a little dry hay should be provided to help balance the diets of livestock.

First year plantings of brome, orchard, fescue or perennial ryegrass should not be graved unless irrigated or growing on very fertile soil. This delayed grazing gives the plants a chance to become well established.

Pastures are a cash crop and they should be managed as such.

Color In Accessories:

Accessories should accent or compliment a costume — they should not call or hold attention to themselves.

Choose them to ad spice to a simple solid color dress or suit, or to supply the unifying note with a striking print dress or plaid suit.

Plan your accessories carefully before you buy — remembering the color and design of your basic dresses or suits. Avoid bargains with which you have nothing to wear.

Avoid too many different colors in one costume. The eye jumps from one spot to another, and you lose the effect of unity. A general rule for the use of contrasting color, texture or pattern in accessories is never to repeat more than three times — generally two is smarter; for example, shoes, bag, and gloves, or shoes, bag and hat, or bag and hat.

Intensity of the color is important. Don't overdo it. The most brilliant or intense the color, the smaller the area it should cover. Unusual colors draw the eye just because they are complex in make-up. Use them with care.

Basic colors in accessories, namely black, brown or navy, are always in good taste and easy to use.

Colors, both bright pastels and vivid tones, in shoes is a fashion to be used with caution. These call attention to the feet and ankles. Be certain yours can stand the spotlight.

Emphasize your best features by adding color contrast or design interest at that point. For example, color accent in a hat may direct attention to a flawless complexion, beautiful eyes or the profile.

A final suggestion: look smart but not extreme. Don't overdress. The best dressed woman are often the most simply dressed.

Family Business Centers save Time and Worry:

Could you locate valuable papers, deeds, wills, insurance policies in a hurry in your home? Most of us do not anticipate emergencies, such as fires, accidents, or other disasters, but we do have times when we can't find important recipts or canceled checks simple because we do not have a well-planned place to put them.

Planned business centers are appearing in more homes these days, they provide a comfortable place to work for a few minutes each day; a place to keep a ready file on bills, canceled checks, important papers.

All you need is an ample, comfortable, well lighted writing center, a comfortable chair, handy file for current materials, another file or storage place for back records, waste basket and desk supplies.

Some families have the writing desk handy for a business center; others are converting old kitchen cabinets and wash stands into business centers; and still others are making desks.

What can you file in your business center? Account books, address, automobile records, bank deposit slips, bank statements, receipts for bills paid, bills to be paid, health records, income tax returns, insurance information, tax forms, and a list of valuable papers you are keeping in a safety deposit box at the bank. Here, too, you can keep the instruct on books on household equipment and any guarantees on your equipment.

Consider where and how you can plan your family business center. You'll find it a real source of satisfaction.

NEW WORLD'S RECORD CORN YIELD SET

A new world's record of 304.38 bushels of corn per acre has been made this year by Lamar Ratliff, 16 year old Prentiss County 4-H Club member.

Lamar's variety was Funk's G-711. The rows were 30 inches apart with stalks eight inches apart in the drill.

He fertilized the acre with 1,000 pounds of 14-14-14 mixed fertilizer and 200 pounds of ammonium nitrate under the crop, and 300 pounds of ammonium nitrate as side dressing.

Lamar plowed the corn twice and no irrigation was practiced. Lamar says Funk's G-711 is the best corn he ever planted.

YOU GIVE only ONE TIME A YEAR, when you give THE UNITED FUND WAY — in monthly payments, if you desire. Your money is distributed to the United Fund group and most likely works for you — a son in the Boy Scouts—a girl in Camp Fire. The American Red Cross. Yes, indeed, do you well remember that day when McKinney was struck by the tornado. Don't you remember. Well, you can remember the thousands of dollars that was spent by the Red Cross right here in McKinney. And the Allied Youth program, likewise is very important. This is a program for the youth in our High School working for the betterment of our future generation, believeing that it is not necessary to drink alcholic beverages to have fun. Yes, this is a part of the United Fund. And the McKinney Boys Baseball League that maybe your boy or a neighbors boy participates in each summer on a wonderful summer program. Yes, this is a part of the United Fund in McKinney. The Salvation Army with a council in McKinney that last year rendered help to hundreds of people that needed "just a lift," so that they might go on their way. Another member of this great United Fund movement in McKinney. The USO that will give a little cheer to our McKinney and Collin County soldiers wherever they might be. The Gonzales Warm Springs — yes, we have had some of our little loved ones there, helping to be cured of that terrible disease—Polio. Another great agency, being a member of the United Fund. The Heart Fund, The Cancer Fund, two other great agencies that will be helped financially when you give the American Way, The United Fund Way.

Frisco Gin Sets Record

A total of 5,254 bales of cotton have been ginned at the Co-Op Gin, of Frisco. The Co-Op set a new company record of 2,658 bales. The figures include the cotton ginned Saturday.

The 2,658 bale record replaces the old record of 2,630 set about four years ago at the Co-Op, Toni Miller, gin bookkeeper, said Monday.

The H. C. Ritchey Gin has completed 2,596 bales as of Saturday, but the ginning for the area is about over, George Marion, Ritchey Gin manager, said. However, he added, the gin will remain in operation until about Jan. 1.

Before the ginning season began, the Co-Op installed a new $15,000 set of lint cleaners.

Mrs. D. W. Hood of Westminister has been moved to the home of her son, Brodier Hood, from the City-County Hospital in McKinney where she underwent surgery.

Prosper Ex-Students' Homecoming To Be Held Next Sunday

Prosper's big Annual Homecoming for ex-students and former residents, scheduled Sunday November 13, will open at Noon with light lunch being served in the High School cafeteria. Visitors to the community are invited to attend the Church of their choice for the Morning Service prior to this meeting.

The Home-Coming Football game will be played in Prosper Friday Night November 11, Against Lone Oak. The Queen will be crowned during the half time.

The meeting in the School Gymnasum at 2:00 p. m. Sunday will be highlighted by an Address by Miss Alla Clary, a former resident of Prosper and presently head of the secretarial group to Speaker Sam Rayburn. The program will also feature musical numbers by groups of ex-students.

Mr. and Mrs. J. R. Frisby, Miss Irene Organ, Mrs. Ruth Hume, and G. A. Jones, visited Mr. and Mrs. Kenneth Hume and daughters, Dona Kay and Lori Gay, in Fort Worth, Friday night.

SCHOOL CHOIR PRESENTS CONCERT

The McKinney High School Choir directed by Robert Holland Davis, presented a concert in the High School auditorium Tuesday evening which was largely attended. The choir has only been organized a few weeks, but has already gained a reputation as a very fine singing group. The group sang at the State Fair, in Dallas, and has also made appearances at local service clubs. Miss Jeanette Burke is the piano accompanist.

The concernt program here is as follows:

"Adoramous Te" by Palestine.

"Sing Praises" Glarum.

"Lullabye" Brahams.

"Indian Love Call" Friml. Miss Lasca Mallow, soprano soloist.

"Thou Knowest Lord," By Purcell.

"Say It With Music," Berlin.

"Falling in Love," Rogers-Hart.

"On the Road to Mandalay" Speaks. Arvis Bucanan, bass-baritone.

"The Lord's Prayer" Malotte.

"Rock-a-ma Soul" Arr. Scholin.

"He Shall Feed His Flocks (Messiah)" Handel. Kathi Harris, Mezzo-soprano.

"Old Man River" Kern. Wallace Kemp, bass.

"I Love You Truly" Jacobs-Bond.

"The Happy Wanderer."

"America — Our Heritage" Steel.

"Holy, Holy, Holy" Dykes.

Chief Ray States Navy Offers Revised "Career Package"

Getting ready for another month of busy activity, Chief Ray, in charge of the Navy Recruiting Station McKinney, Texas, is wrapping a revised "career package" at his postoffice address.

"The Navy," he said, "is determined to meet its present manpower shortage with an honest career plan for deserving young men and women, and is certain that the majority of future Waves and Bluejackets will be volunteer regulars and not inductees."

Chief Ray added that the revised career plan will offer the most attractive list of benefits and advantages ever assembled for the youth of America.

Outlining a few choice parts of his package, the Navy man touched briefly on the increased pay of the Armed Forces, a $10,000 free life insurance policy, medical benefits for the service person and his dependents, and new Navy procedures for getting the Bluejacket or Wave in the duty location of his choice.

A special inducement to newcomers to the Navy is the Airman program which puts the aviation-minded fellows, and girls, into that vital echelon of the Navy and there is even a "Buddy" plan which allows friends to enlist together and remain together throughout their basic training.

Highly enthusiastic about the improved living conditions in the Navy, Chief Ray said that the Admirals now are putting special emphasis on this department, and that the new ships and shore stations are as close to homelife as human ingenuity can make it.

In the educational department, the Navy is taking the raw material of youth and teaching it to run the tools of a most complex organization, and Navy taught skills have high market value in civilian life.

To wrap the "package" securely, he pointed out that off-time study courses now take sailor men and woman all the way to a college degree, and moral guidance program in the faith of their choice builds the moral fiber of Naval personnel.

Hard at his recruiting task this month, Chief Ray said his "sails" campaign offers a product hard to refuse, particularly if the young person has an eye trained to the future.

Member United Fund Board Addresses Local Student Body

By WANDA GRIFFIN
Boyd High Journalism Student

"If everyone would give one day's pay — the American way — we would have McKinney's quota of money for the United Fund" stated Geldon Roberts, City Commissioner, and also one of the directors of the Greater McKinney, City Commissioner, and also one of the directors of the Greater McKinney United Fund. Mr. Roberts made the above statement as he addressed the students at Boyd High School on November 3.

He continued to say that fifty-five per cent of the money was given by the large businesses in the town and that the smaller busineses gave twenty-five percent of the proposed budget. All employes of these establishments are also expected to give one day's pay.

The students were urged to persuade their parents to contribute to this notable cause.

Mr. and Mrs. Monty Nitcholas and little son Monty Kent left yesterday for Mission Texas where they will be stationed with the U. S. Air Force.

Nelson Joins Celina Faculty

J. T. Nelson accepted a position as science teacher in Celina High School Monday. He will replace H. R. Calvird, who will be on a leave of absence for the reminder of the semester, R. E. Murray, superintendent of Celina Schools, said Monday.

Calvird asked for a leave of absence to care for his father, who had a heart attack about two weeks ago.

Nelson, who was formerly on the faculty of the East Texas State College, will replace Calvird until mid-term. Nelson is also a local cafe owner.

Sheila Pam Dunn Of Allen Dies At Home There Wednesday

Frisco Juniors Claim Fourth Straight Win

Frisco's unbeaten junior high team will try to close their season Wednesday with a perfect record when they play host to the Anna Junior High squad.

The junior Coons laced Saint Marcus of Dallas 39-0 Thursday night to pick up their fourth straight decision of the year. The victory ran their scoring total to 184 points to the opponent's 12.

Jerry Hicks again was the big gun in the Frisco attack, scoring four touchdowns and running over three extra points. John Wayne Andrews, who returned to the line up Monday after being injured in the first games, got the other two markers, tallying both times on intercepted passes.

Paul Rhea, key player in the Frisco line, continued to dominate line play, turning in top work both on offense and defense. The 12-year-old 185 pounder has been cited by the Frisco coaches as one of the top prospects of recent years. Jimmy Crowder, the other tackle, also received a lot of praise for his work.

Hicks has scored 19 touchdowns in four games.

Gunter Takes Allen By Score Of 25 To 19

Bledsoe made all scores for Gunter Thursday night, when his team defeated the Allen Eagles 25 to 19 at Gunter. The boys scoring for the Eagles were Tim Cundiff, Cecil Davidson and Kent Stratton.

Laneri Trims Frisco By Score Of 31-7

The Laneri High School Micks of Fort Worth overwhelmed the Frisco Coons, 31 to 7, at Frisco Friday in a non-conference tilt.

At the half, the score was 19 to 7, two of the touchdowns coming as a result of pass interceptions. This Micks fought off three scoring attempts by the Coons in the third quarter. The visitors got inside the 10 on each of the three advances.

In the fourth, the Micks cracked it wide open and got the rest of their points. The Coons played desperate football, trying many passes that failed to complete.

13A Clubs In Scramble For Runner-Up

13A Clubs will be scrambling for runner-up berths Friday night in the final week of district play.

Newly-crowned champion, Van Alstyne made sure there would be no slipups this year as they whalloped Farmersville, 41-0, last week to insure themselves of a portion of the crown.

Although Wolfe City could conceivably earn a tie should the Panthers lose to Honey Grove this week the right to represent the loop in the playoffs would be given to Van Alstyne, 34-13 winners over the Wolves.

The Panther-HoneyGrove clash is a Homecoming battle set for 2 p. m. Friday afternoon in Honey Grove.

Top battle of the week, however, will probably be staged in Cooper as the Bulldogs meet Wolfe City in a battle for second place.

Cooper has a loss and a tie to mar their conference record, but could zoom past the Wolves should they gain the decision.

Another team that will be striving to move up a rung in the standings is cellar-dwelling Farmersville.

If the Fighting Farmers kick past the Tigers in Whitewright, they would move to the number four spot. This would leave Whitewright and Honey Grove, if they fall to the Panthers as expected, in a dead heat for the last place spot.

The race for scoring honors showed little change over the weekend as Cooper's Junior Thompson scored once to bring his total to 96 points.

Runners-up John Gouard also added six points for a total of 76.

Celina Heads Six Man Play in 14-B Loop

Celina reigns at the top of conference 14-B six man football as the result of its hard-won victory over aerial-minded Caddo Mills last Friday. The win puts the Bobcats into the playoff with Okla Union unless they tumble over ififth place Allen this week or ninith place Community next week.

If the 'Cats lose one and Caddo Mills goes the rest of the season without any more defeats, they will get the nod for the playoff berth due to the prep ruling that if two conference teams wind up tie at the end of the season for the top spot, the team that won in the regular season schedule is automatically the title holder.

Celina, supposedly running power in the conference, startled the visitors with a strong passing attack that helpd open the defense for the 18-14 win.

Blue Ridge Wins Over Prosper By Score 46 To 20

Blue Ridge defeated Prosper Thursday evening by a score of 46 to 20, the game being played at Blue Ridge.

The outstanding scorers for the winning team were Kenneth Cantrell who made two touchdowns in the first quarter; and one in the second; and James Todd who scored in the second, third and fourth quarters. Loughmiller kicked extra points for Blue Ridge in the first, second and fourth quarters.

Prosper's points were socred by Duncan, in the first; Anderson in the third, with Edwards making the point, and Cashon in the final quarter.

Wylie Pirates Trampled By Royse 40-0

The Royce City Bulldogs won their second straight game in District 13-B competition at Royce City Friday night, trampling the Wylie Pirates, 40-0.

The Bulldogs scored in every period but the third, with Quarterback Jerry Melton and Left Half Martin Harvey taking a hand in four of the touchdowns.

Harvey circled left end for 25 yards in the first quarter to open the scoring, and Melton went the same route for 35 yards and a touchdown later in the same period. Harvey passed to End Bobby Crowell for 35 yards and a third first-period touchdown which sewed up the game. Jimmy Benbrook kicked two extra points and missed the third.

Melton went 40 yards on a keeper in the second quarter, then passed to Crowell for the extra point.

With reserves in action in the fourth, Royce City scored two more. Donald Bumpass, quarterback, scored on a 6-yard bootleg arond right end and Right Half Danny Danison sailed 40 yards around left end for the final touchdown. Bumpass passed to Gene Burk for one extra point, the other was missed.

Mrs. Kate Thrasher has returned to her home in Whitewright after a few days visit with Mrs. Matt Stailey.

Sherman Blanks High Lions By Score 27-0

By NORMAN SCOTT

The Sherman Bearcats rolled to AAA victory as they blanked the McKiney Lions 27-0 at Newsome Stadium Friday night.

The Bearcats scored on their first scrimmage play and then added another marker near the end of the initial stanza, and a third in the second period to hold a comfortable 20-0 lead at the intermission.

McKinney received the opening kick-off and on the third play, with the pigskin on their 31, Charles Allen fumbled a hand-off from Troy Gray of the Bearcats pouncing on the ball on the Lion 30.

Fullback Andy Anderson took a pitchout from quarterback Jerry Anderson and went wide around left end down the west sidelines for the score. John Schifflett's attempted placement was low.

Near the end of the first quarter, after the Bearcats had stopped a Lion drive on the Sherman 5, they had their second 6-pointer, when fullback Anderson broke through the middle and galloped 87 yards with only 7 seconds left in the quarter. He then hit right tackle for the extra point.

Bobby Dilden recovered another Lion miscue on the McKinney 29 to set up the third Bearcat touchdown. After Andy Anderson lost 2 at left end, he took a pitchout from Jerry Anderson and passed to end Perry Carraway to a 10-yard gain to the Lion 21. Anderson found a hole at right tackle and moved the ball to the 9 where halfback Jodey Hurst tried the other tackle and found an opening for the tally. Edwin Franklin went over left tackle for the extra point.

In three plays, after the Bearcats had received the second half touchdown on the scoreboard. Billy Raidt returned the kick to the Bearcat 46 and after Andy Anderson had picked up 3 at left tackle, Hurst cut back inside left end and rambled 41 yards to the McKinney 10 where Dickie Price overhauled him. Jerry Anderson, on a keeper, circled left end behind a wave of blockers for the score. Hurst blasted right tackle untouched for the conversion, and ended the scoring for the night.

The locals showed some spark after the first Bearcat touchdown when they moved from their 29, featuring a 10-yard run by Joplin 6 and 13 yard scampers by Allen, and 6-yard aerial gainer from Joplin to end John Hooper, to the Sherman 4. On fourth down, end Perry Carraway spilled Joplin for a 1-yard loss with a brusing tackle to stop the drive.

Joplin connected with Allen for a 38-yard gain to the Bearcat 33 after the last Sherman score early in the third period but the Bearcats stymied this mild threat also.

About the middle of the final quarter, after Hurst had kicked out of bounds on the Lion 16, halfback Dickie Price, on a pitchout cut back inside right end and rambled for 76 yards to the Bearcat 8 where Jerry Anderson managed to overtake him. The Bearcats were equal to the occasion for the third time, and stopped Price on the 6-inch line on a fourth down try.

Late in the final quarter, a weird play occurred when halfback Troy Gray intercepted a Joplin aerial on the Bearcat 40, and with several blockers leading the way, was on his way to an apparent score when he dropped the pigskin and the Lions recovered on their 20.

Linebacker Jimmie Wilson and ends Carroway and Alexander led the Sherman defense while end John Hooper, tackle Charles Day, and linebacker Charles Allen showed up for the locals.

The Bearcats rolled for 268 yards on the ground and completed 2 of 4 aerials for 20 yards. They accounted for 10 first downs.

The Lions picked up 11 first downs on 227 yards rushing and 44 yards in the air on 2 completions in 11 attempts.

Farmers Downed By Van Alstyne, Score 41 To 0

The Van Alstyne Panther of District 13-A swamped their district rivals from visiting Farmersville, 41-0, at Van Alstyne.

The Panthers scored early in the game when Halfback Lowell Avent ran for the touchdown from 21 yards out. Fullback Wayne Tillett converted. Still in the first period Half James Gourd scored on the Farmers from 4 yards out. Tillett converted.

In the second period speedy Avent tailed the second time with a 15-yard scamper around end. Tillett converted. Cougars Lose To Bear Kittens By Score 27-6

By NORMAN SCOTT

The Sherman Bearkittens slapped a 27-6 defeat on the McKinney Cougars Thursday night at Newsome Stadium in a District 3-AAA conference game.

Both elevens entered the encounter with undefeated records and the victory definitely established the Sherman eleven as the probable freshman conference champion.

The Grayson County crew received the opening kick-off and consumed about 4 minutes in scoring their first touchdown. The Bearkittens returned the kick-off to their 38, and featured by a 17-yarm scamper by Jackie Baker and a 30-yard aerial from Groves to Jimmy Thompson, they moved to the McKinneq 12. The locals pushed the Bearkittens back to the Cougars 14 but on fourth down, Billy Henderson passed to Pat Calhoun for the 6-pointer. Mike Calhoun went over untouched for the extra point.

Eearly in the second quarter, with the pigskin on the McKinney 30, Henderson connected with Thompson for Sherman's second touchdown. Baker added the extra point by going over right guard untouched.

The half ended with the Bearkittens holding a 14-0 lead.

The third stanza was somewhat dull with the ball exchanging hands on fumbles three times.

Early in the fourth period, the Cougars again turned the football over to the Bearkittens on the McKinney 22. After moving for a first down on the Cougars 6, Baker went over the double stripe for the score. He also added the conversion.

Henderson returned a Charlie McEntire punt 35 yards to the McKinney 32 to set up the last Bearkitten marker. From the 32, Wayne Daugherty found a big hole in the center of the Cougar line and rambled for the tally. The conversion try was unsuccessful.

The locals finally showed some spark after taking the ensuing kick-off and moved 60 yards to their 6-pointer featured by 14 and 23 yard gallops by C. W. Williams and the power plunging of McEntire. Williams plunged over right tackle from the Sherman 1 for the score. McEntire was stopped by the center of the Bearkitten line on his tattempt to plunge for the point after.

The Sherman lads displayed a smooth attack and the local boys seemed to be unable to click until their only scoring drive late in the final quarter.

Philip Wilson and Johnny Brockman turned in a fine defensive performance in the Cougar forward wall while McEntire and Williams shouldered the burden in the secondary.

The Bearkittens entire crew combined to bottle up McKinney except for the locals scoring drive in the final stanza.

Sherman accounted for 127 yards on the ground and 74 yards in the air on 3 completions in 77 attempts for 11 first downs, while the Cougars picked up 128 yards rushing and failed to complete a pass in their 3 attempts, in making 7 first downs.

Mrs. Viola Neely, Route 4 McKinney, was a McKinney visitor Friday.

Anna Defeats Plano Reserves By 27 To 0

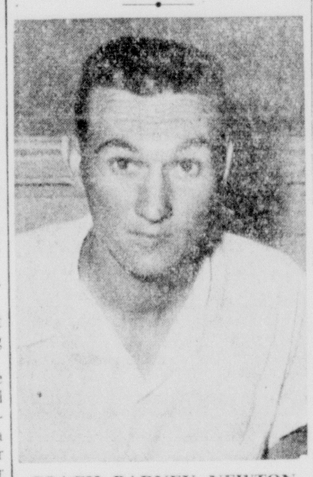
Introducing New Faculty Members In McKinney Schools



COACH BARNEY NEWTON

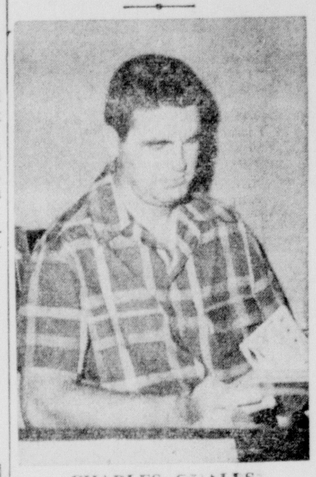
There are 17 new faculty members in the McKinney school system this year. So that the public may become better acquainted with them, from time to time we will publish their pictures with a short article of introduction about each.

Barney Newton teaches seventh grade science in Jr. High track. He, his wife, Sonya, and baby son, Ricky, have an apartment at 1209 Bonner.

Mr. Newton, who was 21 on September 30, is from Bridgeport, about 70 miles west of here. He received his Bacholor of Science degree from NTSC, Denton, in May, 1955, majoring in Physical education minoring in education. His chief interest, he said, is athletics.

Correct your own mistakes by avoiding those of others.

Coach Charles Qualls Is New Member Boyd High School Faculty



CHARLES QUALLS

Besides being line coach and first assistant coach of the McKinney High Lions football squad, Charles Qualls also teaches zoology, general math, and drivers education. He, his wife Joan, and two small children — little two-year-old girl and five-month-old baby boy — reside at 208½ S. Kentucky.

During his college attendance Mr. Quails had quite an outstanding football record. During his senior year at North Texas State in Denton, where he lettered three years, he made the all-Texas college team as one of the two outstanding tackles in the state. This team includes all the colleges in the state except those in the Southwest Conference. At Arlington State, a junior college, where he attended before going to North Texas, he mades the all-conference team in the Southwest Junior Colleges as an outstanding center and linebacker. His major was biology, and his minor, physical education. Before coming to McKinney, he coached football in Kingsville, south Texas. His home is in Hillsboro.

When asked about the McKinney football team, Coach Qualls said, "We've got, I believe, the best bunch of boys in school out for football. The only thing they lack is pep and enthusiasm and experience. I think we will get those as we go along."

Mr. Qualls named golf as his chief athletic interest outside of football.

Miss Jennie Jones of Sherman, was a week-end guest of Miss Patty Perkins.

Willa Largent Club Hears Guest Speaker

The Willia Largent Garden Club entertained its members and guests Tuesday morning at the home of Mrs. Charley Wysong, with a decorative demonstration of Christmas ideas, given by Mrs. Cecil Osborne, of Dallas. Mrs. Osborne carried her listeners from room to room in an imaginary home and filled each one in a most unusual way. Her favorite materials were red oil cloth cut with pinking shears and burlap, instead of the usual net or felt cloth. She highly recommended using Tri Chem, a paint, to decorate everything from glasses to napkins.

Mrs. Osborn stated "that to achieve a lovely home at the Christmas season, one must have a theme. You might chose Madonnas and angels, or pine cones and candy canes, or whatever you particularly like. Carry this same idea throughout your home."

One lovely table done by Mrs. Osborne was for New Year's Eve. It was covered in black oilcloth. The centerpiece was an arrangement of three red carnations in graduated heights with a tall black candle behind them. In front of the arrangement were two masks, one red and one black, with a small amount of gold around the edges. A small gold hourglass behind the candle completed this arrangement.

Another lovely arrangement was composed of wheat, gold sprayed Magnolia leaves and branches with a cream colored ceramic Madonna and Child as accessories. This was most effective on a green felt cloth.

Guests of the members were Mrs. Bill Bass, Mrs. Johnny Whisenant, Mrs. John Hooper, Mrs. A. C. Bullock, Mrs. Lee Daniels, Mrs. Robert Lewis, Mrs. Bill Finney, Mrs. Louis Miller, Mrs. Morris Minton, Mrs. Scott Wysong, Mrs. W. S. Wysong, Mrs. Paul Hardin, Mrs. Malcolm Wilson, Mrs. B. S. Spurgin, Mrs. Ken Reidland, Mrs. Betty Kraft and Mrs. Jack Wilson.

Assisting Mrs. Wysong in serving were Mesdames Sy Gostin, James Cowan, L. K. Long, B. A. McReynolds and Pat Clark.

United Fund Divisions Make First Report

About sixty percent of the United Fund has been subscribed to date, according to Paul Harding and Frank W. Smith, co-chairman for the drive which is in progress at this time. This is the first drive made by the recently organized Greater McKinney United Fund. All money subscribed in pledges, or paid, will be used for the 1956 budget.

The first report from all divisions of the drive, was made Friday morning. Some of the workers, in the various divisions, have not reported, but are urged by their contacts as soon as posible.

Mrs. Charlie Angel, chairman of the commercial employes division, urges all employs who have not been contacted, to either call the Chamber of Commerce, or some of the division chairmen, as soon as possible.

Officers and chairmen of the drive are urging all persons to participate in this drive, and if possible, to give a day's pay. The money may be paid now, or next year, to suit the donor. The budget is $23,840, which will be prorated to the ten agencies participating in the United Fund. These agencies are Boy Scouts, Camp Fire Girls, Allied Youth, McKinney Boys' Athletic Association, Cancer, Heart, Gonzales Warm Springs, Texas United Defense Fund (USO) Salvation Army and American Red Cross.

The various divisions of the drive now underway include the industrial drive, advance drive, general business drive, commercial employes drive and colored section.

Chairman Hardin stated that there were more people contacted Thursday and Friday than anyday since the drive began. Other will be reached this week-end.

Many persons in McKinney may not be contacted at all, and they are invited to send in their donations to the chairman.

Army Offers Direct Assignment To 3rd Armored Division

Former Army personnel with certain Military Occupational Specialties (MOS), who have been out of the service for two days to 12 months, may reenlist for direct assignment to the 3rd Armored Division and subsequent assignment to Europe next year with this unit, according to Sgt. Jack Wellborn, U. S. Army Recruiting Sergeant.

"The 3rd Armored Division, one of the Army's 'Operation Gyroscope' Units, is now stationed at Fort Knox, Kentucky. Qualified applicants for this special assignment will be authorized to receive travel allowance, and transportation of dependents and household goods, if eligible," Sgt. Wellborn Stated.

Vacancies exist for corporal and above.

Personnel reenlisting for 3rd Armored come under the latest unit rotation plan and are assured of returning to the home tation of the division in the United States after a 33 months overseas tour. The unit will move to Germany in the spring of 1956.

Information on reenlistment opportunities can be obtained at the U. S. Army Recruiting Station 113 East Pecan St. Sherman Texas.

Burglars Enter Blue Ridge School Building

Deputy Jim Standerfer spent Wednesday in Blue Ridge investigating a burglary at the school. The culprits entered the building through a window and attempted to open the safe with tools secured from the school shop. They did not get the safe open but it was badly damaged as the burglars attempted to knock off the safe knob. They also broke into the sewing room, opening drawers, but nothing has been reported missing from that department.

Some $40 in cash was taken from the drink machines which were also damaged and broken. The robbery occurred Tuesday night.

Texas Highway Patrol Asks New Applications

AUSTIN Tex. — The Texas Highway Patrol is accepting applications between now and January 1 for appointment as State Patrol men.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said that state-wide examinations would be given in January and that successful candidates would begin training at the Austin Headquarters of the DPS in April.

Forty-seven men are now in recruit school and another class will begin in January. These were selected as a result of examinations given last Summer.

The Public Safety Director invited all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age, inclusive; have a high school education; be at least 5 feet 8 inches in height; and weigh not less than two or more than three and one-half pound per inch of height.

Garrison also emphasized that applicants must have been residents of Texas for at least a year prior to the date of examination and they must be of good moral character and in perfect physical condition and able to with stand a rigid character investigation.

Base pay for a Patrolman, after schooling and a six months probationary period, is $215 monthly. Also provided in longevity pay; two weeks paid vacation annually; sick leave, if necessary; and the benefits of both the State Retirement Act and Federal Social Security.

Applications may be obtained by writing to W. J. Elliott, Chief Texas Highway Patrol, Austin; or by visiting the nearest Patrol District Office.

C.W.Beasley Receives Master's Degree From SMU This Year

A write-up and picture of C. W. Beasley, appeared in the Mesquite paper recently which is of interest to the host of friends in McKinney.

Beasley, a teacher and coach at Mesquite, is the son of County Auditor R. E. Beasley of McKinney. He was reared here and graduated from Boyd High School.

The item as it appeared in "The Texas Mesquiter" follows:

"C. W. Beasley, science teacher and footballe emcee for Mesquite Junior and Senior High School for the past eight years, completed his graduate work at Southern Methodist University in August receiving his Master's degree in Education, with a major in school administration. He completed his work with a record of three B's and nine A's.

"He received his Bachelor of Science at North Texas State. He did graduate work at Texas Christian University and Southern Methodist University. His future plan is to continue work toward a Doctor's.

"The records show that better than 98 percent of the Mesquite High School graduates completeing three years of High School science have successfully passed first year college science courses. In the past years five of his pupils have majored in science and are now teaching science or following vocations that require a science background.

"He is a Navy veteran of World War II, being attached to the United States Naval Medical Corp. This year he enters his 21st year of teaching. Thirteen years of the 21 were spent in the Administrative Field.

"He cordially invites school parrons to visit the well-equipped Science Laboratory and special invitations will be extended to the public to see the science show in the near future and the science fair in the spring."

Deborah Biggs In Rite Hospital

Deborah Biggs, 3-year-old daughter of Mr. and Mrs. F. T. Biggs of McKinney, was admitted on Wednesday, Nov. 2, to the Scottish Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital thirty-two years ago in an effort to provide a chance at a normal life and a useful place in society for the handicapped children.

The Scottish Rite Hospital, which is supported by public contributions and bequests, have accepted almost 100,000 children for treatment since 1925. An expert staff, plus unique physical facilities and dication to the welfare of the child, make it an outstanding treatment center which serves the entire state.

Mrs. Richard A. Harris Jr. and infant son, Richard A. Harris III, of Arlington Va. have been visiting in the home of their Aunt, Mrs. W. T. Hoard, on Lamar Street. Mrs. Harris' husband, Rev. Richard A. Harris Jr., is associate pastor of the First Baptist Church in Arlington Va. Mrs. Harris is the former Miss Dulcy Kennedy of Shreveport La.

Water District Manager Guest Of Lions Club

A statistical report of progress made in the North Texas Municipal Water District, was made by Manager Andy Rollins, at the weekly Lions Club luncheon held Wednesday noon at the First Christian Church.

The club was called to order by President J. M. Whisenant, with Chaplain H. C. Hoy giving the invocation. Lion Garner Jones led the club in spirited singing with Lion T. E. Wyatt at the piano.

◆ ◆ ◆

Large Attendance.

The largest attendance in several weeks enjoyed the meeting with one new member Carlos Carter introduced by Lion U. L. Watson. The ladies of the church served a chicken pie dinner with all the trimmings.

In the opening business period, all Lions were thanked by Jack Pratt general chairman, and President Whisenant, for the work they did to make the Halloween carnival a huge success. The finance chairman, James Stewart outlined gross receipts from the various concessions and shows, which amounted to $1,000. When all expenses are taken care of, the club will have a net profit of well over $600, most of which will be contributed to the Lions Crippled Children's Camp at Kerrville.

Band Students Sell Candy.

George McCoy, director of the High School Band, announced that a candy sale is now in progress proceeds from which will pay expense of the band for an overnight trip to Austin this month. Several band students accompanied him and conducted a brief candy sale with good results.

Program Chairman Ernest Lawrence announced Lions Elton Riggs and J. T. Rollins as the committee for November 16, and Lions Claud Rayburn and Leroy Richardson as the committee to plan the program on November 9.

◆ ◆ ◆

Speaker Introduced.

The program for the day was introduced by Lion C. H. Ray, co-chairman with E. A. Randles. Manager Andy Rollins of the NTMWD, guest speaker, is reputed to be one of the outstanding water engineers in the Southwest.

◆ ◆ ◆

Water District History.

He gave a brief history of the water district, how it was formed and the forsightedness of a group of men who were instrumental in its organization. He outlined the construction of storage tanks, laying pipe lines, and treatment plants at Wylie, all of which are progressing according to schedule. The project is now in its final construction, and will be ready for using water from the Lake Lavon reservoir by January 1, 1957.

Manager Rollins commended the members of the water district for their patience and persistence in working out obstacles connected with the project. The towns in the district are Farmersville, Forney, Garland, McKinney, Mesquite, Plano, Princeton, Rockwall, Royse City and Wylie. The Board of Directors, composed of one from each town, except McKinney and Garland, which have two, voted to use a minimum quantity of water and make a contract with Dallas for the surplus.

Practically all building, necessary for the use of the Lavon water, is completed, or contracted for.

◆ ◆ ◆

Two Projects In State.

The project here is one of two in the state of Texas "where people have had the courage to organize into a district," stated Manager Rollins, in commenting on the Colorado River Municipal District in West Texas.

In his closing remarks Manager Rollins stated "All water impounded in the Lavon Reservoir will in short time be put to beneficiary use and will mean much more to Collin County than was dreamed of at its inception. With communication, transportation, ideal central location and adequate water supply your growth will be amazing within the next ten years."

Mr. and Mrs. Kerr Crosswhite and son, Mr. and Mrs. Bud Crosswhite and family, Mr. and Mrs. C. L. Crosswhite and family, of McKinney, Mr. and Mrs. Hulan Dowell and children, of Garland, Mr. and Mrs. Elmer Harrelson and family of Dallas, were visitors in the home of Mr. and Mrs. C. A. Crosswhite at Weston.

Mrs. Bob Hammond and Mrs. Lee Beverly attended the funeral of Mr. Walter Treftz in Dallas Monday at St. John's Episcopal Church. Mr. Treftz was the father of Mrs. Lee Finch formerly of McKinney, who now resides at 1010 Estecado Drive in Dallas.

Mrs. W. B. Mitchell recently returned from several days visit with Mr. and Mrs. O. K Snell, in Waco. While there she attended the 50th wedding anniversary party given by the Snells.

Sheriff Floyd Williams is able to be out Saturday, after being confined to his home with illness. His many friends are glad to see him up again.

United Fund Drive In Full Swing This Week

All divisions of the Greater McKinney United Fund drive, are underway at this time, according to Paul Hardin and Frank W. Smith, co-chairman. The Advance drive, which opened last week under the leadership of Bill Finney and A. M. Scott, is 99 percent complete, and represents fifty percent of the $23,840 budget set up by the organization.

◆ ◆ ◆

General Drive Begans.

On Tuesday the general business drive began with Wilbur Thompson and Raul Saba as co-chairman. This drive will represent 25 percent of the goal, while Wednesday the commerical, employes drive began under the direction of Mrs. Charley Angel. This drive should net ten percent of the budget, which was the assignment to that section.

Prof. John Fenet, principal of Doty (Colored) High School is chairman of the drive for the colored sections.

A drive in the industrial plants in the city is headed by A. H. (Buzz) Witherspoon, and represents 15 precent of the budget.

◆ ◆ ◆

$13,499.37 Subscribed.

Chairman Hardin announced Thursday that $13,499.37 had already been paid or pledged, $11,000 of which was received in the advance drive. To date $2,014 has been reported by the general business drive chairman, and $485.37 from the commercial employes.

◆ ◆ ◆

Funds For 1956 Budget.

The general chairman further pointed out that all funds pledged, or paid this year, are for the 1956 budget and all persons who have paid in previous drives this year are asked to keep this in mind. A number of the merchants are working to make their stores 100 percent in donations of employer or employees. These will be published in the 100 percent Club roster, in the Daily Courier-Gazette.

The first four firms to report 100 percent are: C. P. Horn Auto Supply and Appliance stores; Collin County National Bank; McKinney Dry Goods Co., and Cox Chevrolet Co.

Good Housekeeping Shop Wins Blue Star Sales Goal Award

Frank A. Smith, owner of the Good Housekeeping Shop, local Frigidaire dealer, and his staff of employes, spent Monday in Fort Worth attending the Frigidaire 1956 premier showing at Will Rogers Auditorium. This was a regional fair, attended by dealers from several states.

Throughout the day programs and demonstrations were presented with a luncheon enjoyed at the noon hour.

A staff from the Frigidaire factory, in Dayton, Ohio, was on hand to take part in the sales presentation of the full line of Frigidaire products. Those models will be on display at the Good Housekeeping Shop in McKinney beginning November 16.

The McKinney shop received the Blue Star Sales Goal award, the first time such awards has been won in Collin County.

The theme for 1956 sales by Frigidaire, will be "A new Lift to Better Living."

Employes of the Good Housekeeping shop here, accompaning Mr. Smith to Fort Worth Monday were Mrs. Alta White, Mrs. Mary Walker, Hubert Alexander, Spot Roberts, Cecil Mack and Dave Lauderdale.

Johnny Mac Odle Studies Pharmacy

Johnny Mac Odle of 708 Jefferson, McKinney, has enrolled at the University of Houston as a freshman student majoring in pharmacy according to R. A. Vittulli, registrar.

A coeducational institution, the University of Houston offers courses on both the undergraduate and graduate levels.

It is composed of ten different colleges — Arts and Sciences, Business Administration, Education, Engineering, law, nursing, optometry, pharmacy, technology, junior college — and a School of Architecture.

The campus of the University comprises 275 wooded acres in the midst of the thriving metropolitan area of Houston. All permanent buildings are of a uniform and modern design and are air conditioned.

The 20-year growth of the institution in terms of enrollment shows a development from 900 students in 1934 to some 14,000 for the fall semester of 1955.

Accredited by the Southern Association of Colleges and Secondary Schools, the university is also a member of the Association of Texas Colleges.

General A. D. Bruce is president of the University.

Boyd Hi Math Classes Visit Local Banks

Some important facts about banking were explained to the students of Mrs. Charles Burrus' two consumers' mathematics classes when they visited the two local banks recently as a part of their study.

The morning class, visiting the Central National Bank, was conducted on a tour by James Stewart and A. H. Eubanks, bank executives, while Louis Long at the Collin County National Bank, took the afternoon students on a tour of the bank, telling them of the various departments and the work done there. Both banks are affiliated with the Federal Reserve Bank of Dallas, the pupils were told.

Banking Explained.

Explanations were given on how to make out checks and deposit slips: on borrowing money and an explanation of promissory notes the services offered by the bank and its means of making money. They saw the vaults, the computing machines, and the savings account department. Both groups were taken to the directors room, where James Stewart and Johnny Whisenant, president of the Collin County National Bank spoke to the students.

Dillinger's Car To Be Displayed Here: Sponsored By Jaycees

The personal car of John Dillinger, gangland kingpin of the phohibition era, will be on display downtown in McKinney. Its appearance here is being sponsored by the Jaycees.

Dillinger's 16 cylinder 1931 Caddillac was considered the most formidable machine for crime in its day. The car weighs 9,144 pounds — over twice the weight of ordinary cars — and was equipped with several anti-pursuit mechanisms.

The big V-type engine had smoke and tear gas generators, and a device in back of the car sprayed tacks onto the road to puncture tires of would aprehenders.

Designed for speed in excess of 100 miles an hour, the car had one and one-fourth inch thick bullet-proof glass with ports through which guns could be fired.

Inside the quarter-inch steel body special compartments were built to house a machine gun and large quantities of ammunition.

Dillinger and his mobsters reportedly used the car in a total of 39 holdups and 13 murders. The vehicle was finally abandoned near East St. Louis when it ran out of gas during a chase by police.

Dillinger eventually was slain by police July 19, 1934 outside a Chicago theater on a up from the gangster's ex-girl friend, later to become known as "The Lady in Red."

There will be a modest charge for viewing the car.

Mrs. R. C. Cook of Weston, is visiting her son and daughter-in-law, Mr. and Mrs. Bill Cook at Levanworth, Kans. She also plans to visit her sister Mrs. Ford Stockton at La Junta, Colo. while she is gone.

Mr. and Mrs. Berry Penny had as their guests, Sunday, Mr. and Mrs. Malcolm Penny and children, of Forney; Mr. and Mrs. Troy Lee Williams, and daughter, Loretta, of Josephine.

Mr. and Mrs. George Cave and daughter, of Little Rock, Ark., Melvin Tarpley of Temple, T-Sgt. and Mrs. Herman Strickland, are enroute to Fairbanks, Alaska to visit their mother, Mrs. T. B. Mobley.

Two U. S. President received the Nobel peace prize — Theodore Roosevelt in 1906 and Woodrow Wilson in 1919.
